

**PUT
THE
KIDS
TO
WORK!**

THERE'S LOTS TO DO . . .

**IT'S
FALL**

There are several ways you can manage your yard waste:

- 1 BAG IT UP!** Your town's waste dept will pick it up to be composted.
- 2 COMPOST it yourself!**
- 3 LEAVE IT!** The cut grass and leaves will return nutrients to the soil, improving next year's lawn and garden.

Yard Waste does NOT belong:

- X In WETLANDS**
- X In TRASH**
